PROBABLE CAUSE STATEMENT

On December 26, 2007, at about 1:15am, defendant Hernan SUAREZ-Vidal was arrested by the San Diego Police Department for various State violations and booked into county jail. While in the custody of county jail, an Immigration Enforcement Agent conducted a field interview, determined the defendant to be a citizen of Mexico and placed an Immigration Hold (I-247) pending his release from county jail. On December 28, 2007, the defendant plead guilty to driving with a suspended license, driving while under the influence of alcohol and referred to George Bailey Detention Facility pending his release.

On March 5, 2008 the defendant was referred to the custody of Immigration and Customs Enforcement (ICE) in San Diego, California. An Immigration Enforcement Agent conducted computer database record checks and reviewed various sources of information confirming the defendant to be a citizen of Mexico having been deported or removed from the United States on at least one occasion.

A thorough review of official immigration computer database record checks revealed that the defendant, Hernan SUAREZ-Vidal, has been ordered removed from the United States by an Immigration Judge on September 20, 2007, and removed to Mexico, via the San Ysidro, California, Port of Entry on September 20, 2007. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System IDENT and Automated Fingerprint Identification System IAFIS were utilized and compared the defendant's fingerprints to those contained in these databases. The results confirmed the defendant's identity as Hernan SUAREZ-Vidal, a citizen and national of Mexico.

All information indicates the defendant is a citizen of Mexico having been previously deported from the United States, and has illegally re-entered the United States after deportation, in violation of Tile 8 of the United States Code 1326, Deported Alien found in the United States.
